South Bend Not to Play Mishawaka Thanksgiving Day

PLAYERS BARRED FROM SCHEDULING SCRIMMAGE GAME

Coaches Intend to Abide by Ruling of State High School Athletic Board.

There will be no Mishawaka-South Bend high school football game on Thanksgiving day. This matter was definitely settled late yesterday afternoon, when Coach Elmer Burnham announced that he intended to live up to the ruling of the State board of high school athletics and had barred his players from participating in even a scrimmage game in which no score would be recorded.

A great deal of trouble resulted from last year's game between the two schools and the score was contested. The board gave the game to Mishawaka and suspended athletic relations for a year in hopes that the bitter feeling that has always existed between the two schools might be done away with.

Capt. Edwards' warriors had expected that a scrimmage with nothing at stake would be permitted at the end of the season and were laying plans for displaying some real football tactics. The Mishawakas themselves were said to have been in favor of such a game.

Mishawaka has a good eleven this year and a game between the two would surely be worth while, in the opinion of the supporters of both schools.

Coach Burnham and G. A. Cooper had the South Bend high school squad out for their daily practice at Leeper field yesterday, and from appearances the first team will be in excellent condition when it leaves for Clinton to meet the fast-going high schoolers of that town Saturday.

300 Women Keep Bowling Alleys Always Crowded

Twice as Many as Last Year Take Up Sport, With 100 Waiting for Chance.

As previously predicted bowling is destined to become the most popular sport of the women of South Bend. So far this season twice the number of women are to be found, on the local alleys, as there were last year, and from one company alone over a hundred more have signified their desire to join a league. The big question confronting the owners of local alleys, and particularly the Orpheum alleys, one of the most popular in the city is, how are they going to accommodate all the fair ones. Both in afternoon and evening women must be found bowling on the alleys. It is estimated that at least 250 women play on the Orpheum alleys every week, with the number of recruits to the game rapidly increasing. Women are beginning to realize and appreciate the tremendous physical value that may be gained bowling, and are flocking to the alleys to derive this benefit. The prospects for the year in the women's bowling league are exceptionally bright.

Orpheum Ladies' Team.

In the Orpheum alleys alone ten leagues are to be found composed entirely of women. The most prominent of these are the Orpheum ladies teams Nos. 1 and 2, who have been playing the past three years. Last year these ladies played the women champions of Chicago, and although defeated the South Bend women made a splendid showing. They also played teams from Elkhart and Goshen last season, and this year are planning an even larger field of contests. They are fast whipping into shape and expect this season to be their best.

Other prominent women's leagues are the Wilson Bros. league, composed of four splendid teams, and the Stuart and Telephone girls leagues, all of which boast of fast teams and look forward to a record breaking season on the alleys. In order that all may be accommodated, the Wilson Bros. league is forced to play in two shifts. Two teams of women from that organization play from 5:00 P. M. until 7:30 P. M., then they are relieved by two more teams who play until 10:30 P. M.

Hello Girls Start.

On next Thursday night the Telephone girls will open their season, and from all reports over 100 of these girls will be found bowling on the local alleys this year.

Last season there was no organization to speak of among the women bowlers of this city, but the next few weeks promise a radical change along these lines. The ladies have realized the value and necessity of such an organization and are formulating plans with this end in view. In the future the bowling games of the women bowlers of South Bend will be as thoroughly organized as the men. Exciting games and interesting developments are expected in the various South Bend Women's Bowling leagues.

SHOCKER AGAIN IS CAUSE OF HALT IN YANK RACE TO FLAG

With Championship Almost in Their Grasp, Hugginsmen Stopped by Urban.

NEW YORK, Sept. 27.—The New York Yankees were given a setback in their pennant fight Tuesday when Shocker, a former New York hurler, shut them out, 5, 0. It was the fifth game Shocker has won from New York this season in nine contests twirled against the Yankees this year.

Shocker held New York to five hits. Until the ninth no Yankee batter reached second, but Shocker had a scare then when Schang and Peckinpaugh singled. Ruth was intentionally pitched, but Meusel was retired on a fly to Jacobson. Harper pitched well after the first, when Sister's home run followed Elmer's triple, and accounted for St. Louis' two runs. Score: St. Louis.....200 000 000—2 7 0

Carl Lash, Local Boy Who Will Race Here

LASH AND HIS CROW-ELKHART RACER.

Carl Lash in the favorite in the five big racing events to be held at Springbrook park next Sunday. Lash has raced against many of the leading professional drivers and has some worthy victories to his credit. His performance in the races Sunday will be closely watched by the South Bend fans.

LOCAL ARTISTS TO ENTER BIG EVENTS HERE NEXT SUNDAY

Carl Lash and Eddie Clay, South Bend's Daring Racers, Out to Cop Prizes.

"South Bend will see a genuine automobile speedway event at Springbrook park next Sunday," is the assurance given by Promoter Wilbur D'Alene who conducted a speed contest here in July. The coming program is an improvement over the former event, it is believed, as the management has arranged for five different events, giving five exciting finishes instead of one.

It is planned to have the entire field enter the first five-mile event, with prizes offered for the first two to finish. In the second event these two will be eliminated and the balance of the field contesting, with prizes for the two fastest of this group. This will be done four times and the eight winners of these trials will start in the final 50 lap race.

That the contestants will be spirited and even bitterly fought is indicated by the rivalry that exists, not only between the drivers that come from Indianapolis and Chicago, but in the entries from the local field. Carl Lash defeated Homer Ormsby in the 100 lap grind last July and has won enough first and seconds in subsequent events to entitle him to marked consideration from the professional drivers.

Eddie Clay will drive a Chevrolet entered by the Heldele Sales company. He won second place at Kalamazoo, on Sept. 5 and also at Crown Point last Sunday in a 25-mile free for all. He is determined to beat Lash on the home track and both are going out to win. Clay is a local boy who has demonstrated nerve and skill behind the steering wheel of a fast car.

Other entries include Ralph Ormsby driving a Frontenac; M. A. Chandler with a Morton & Brett special; Joe Fielding, Essex; D. B. Warranburg, Chevrolet; Al Downs, Rest special and A. S. Shady, Monroe special. The two latter drivers are from Elkhart and anxious to make a good showing.

These racing cars are small and powerful, built for half-mile tracks, and should make Sunday's events interesting.

Giants Must Lose Four Straight to Endanger Chances

Another Win Will Cinch Pennant Even if Pirates Capture Every Game.

NEW YORK, Sept. 27.—The lead of the New York Americans over the Cleveland world's champions was cut to a game and a half Tuesday when the Yankees lost, while that of the New York nationals was shortened to three and a half games through a Pittsburgh victory. The Yankees must win three of the four games to clinch the pennant and the Giants two of their four. If the Yankees break even, Cleveland would have to win all its four games to finish first. Pittsburgh faces the task of winning all its five games while New York is losing four straight.

MENTONE HIGH SCHOOL DEFEATS BURKET NINE

MENTONE, Sept. 27.—The Mentone high school baseball team was defeated by the Burket high school nine by a score of 12 to 7. Ernest Howard, of the Burket battery, struck out 12 players and allowed only two hits.

Graff, who was behind the bat for Burket, suffered a split finger early in the contest, but finished the game.

GOSHEN MAY PLAY.
WARSAW, Sept. 27.—The Goshen high school football team management has asked the Warsaw high school football team to lengthen its schedule and arrange a contest with the Goshen eleven.

It appears possible that a game may be arranged for Thanksgiving day.

N.D. Wrestler and Football Player Coaching Moosers

Arthur Parker to Instruct Industrial School for Boys in Art of Gridding.

Arthur Parker, known in South Bend, and more especially at Notre Dame for his ability as a wrestler, has accepted a position as football coach at Moosehart, the industrial school for boys in charge of the Loyal Order of Moose, which is located at Moosehart, Ill.

Parker, a member of the Freshman football team at Notre Dame last year, accepted the coaching job in preference to returning to school.

Last winter he appeared in several mat bouts in South Bend as well as at Notre Dame, and was popular with the fans.

He will have complete charge of the Moosehart eleven, which is classed among the best Prep teams in Northern Illinois, outside the city of Chicago.

WARSAW HIGH HOPES TO BEAT MISHAWAKA

Confident That Showing Made Against Decatur Will Be Repeated Saturday.

WARSAW, Sept. 27.—After a rest of two days, the Warsaw high school football squad began practice Monday in preparation for the game here next Saturday afternoon with the Mishawaka high school eleven. The Warsawans opened the season last Friday by administering a stinging defeat to the Decatur team, the score being 41 to 0.

Cash and the high school pupils are enthusiastic over the showing made by the team in the initial fray and are expecting fully as much from the eleven in the clash next Saturday afternoon.

The Warsaw team has a hard schedule, including some of the best high school elevens in northern Indiana.

STAKE EVENTS ARE RACING FEATURES

Emma Harvester Lacks Usual Speed and 2:08 Trot is Won by Kilo Watts.

COLUMBUS, O., Sept. 27.—Two stake events were the features of Tuesday's grand circuit racing program the board of trade 2:05 pace and the chamber of commerce 2:08 trot each with a purse of \$3,000 attached, being decided as part of a card of five races.

Emma Harvester was installed as the favorite in the 2:08 trot but she never was a contender, lacking her usual speed, something Kilo Watts possessed in abundance and which enabled her to trot two successive heats in 2:04 1/2, to clinch the race. Z. Colorado was the chief contender. The 2:09 trot was won by Beebe. The 2:03 trot was a split heat affair Selka landing the last two after Billston had won the first. Peter Manning, slated to run against time today, did not start.

A strong wind failed to die down and the trial was deferred.

LADIES' TOURNEY AT CHAIN-O-LAKES WILL DECIDE GOLF CHAMP

Matches at Country Club Are Center of Attraction All This Week.

The ladies are the center of attraction at Chain O' Lakes this week having just finished the first round in the ladies' golf championship. The St. Joseph Valley champion, Mrs. W. K. Morrison, played her usual high class game against Mrs. H. E. Marshall, winning by the score of 8 and 6; Miss Laura Harris sprung the surprise of the tournament by defeating Mrs. W. J. East 4 and 2; Mrs. J. Reynolds won cleverly from Mrs. H. E. Rostler 4 and 2; Mrs. H. L. Cooper defeated Mrs. D. K. Spiller 6 and 4.

In the semi-finals Mrs. Morrison vs. Miss Laura Harris and Mrs. Reynolds vs. Mrs. H. L. Cooper. Mrs. Morrison is the strongest player of the semi-finalists, but golf is a game of ups and downs and there is no telling what might happen before the finish.

In the class A flight Mrs. M. R. Kavanagh defeated Miss Fulton 5 and 3; Mrs. F. E. Whitehead drew a bye; Mrs. Hugh Woolverton won easily from Mrs. S. Smith 9 and 8; Mrs. H. Schadt drew a bye. In the semi-final Mrs. Kavanagh vs. Mrs. Whitehead; Mrs. Woolverton vs. Mrs. Schadt.

The final mixed foursome tournament of the season is scheduled for Friday and the men will have their last chance of competing with the ladies.

"INELIGIBLE JINX" WORRYING HEAD OF MINNESOTA ELEVEN

Gopher Mentor Has Discarded Star Destined to Be as Bright as Oss.

MINNEAPOLIS, Sept. 27.—Still fighting the "ineligible" jinx, H. L. Williams, of the Gopher football pack, is squaring away for the Big Ten season with new cards in the deck and a stack of hope.

Just as Arnold Oas flashed across the horizon to football fame in the last two years, so will another Gopher star be heralded in 1925, say critics.

Earle Martineau, flashy end, will be eligible this year, and sport writers are predicting he will make a big name for himself this season. Martineau was ineligible last year, but he will be in the game next month.

Arnold Oas, all-around athlete and king pin of the Minnesota machine last year, will be back in the game. Undoubtedly he will be at his best. It is his last year in the school.

Gus Eckberg, husky, smashing fullback, may not be eligible. There is some dispute, however, and he may yet get into play.

Capt. Teberg will head the list of those returning and will probably play his old tackle position.

"Try" Johnson, on the other side of the line as tackle, also is expected back.

Trainer Williams, however, will have to pick most of the rest of the team from last year's subs. Among them are Fred Atwood, Lee Buhr, George Fraser, Marshall Webb, John Gillen, Jack O'Brien, George Cooper, Donald Cole, Gilbert Larson and Paul Hartwig.

INDIANS BEATEN.

INDIANAPOLIS, Sept. 27.—Milwaukee bunched hits in the fourth frame and won the opening game of the series from the Indians here Tuesday afternoon, 3 to 1. The teams will play a double-header Wednesday. Score: Milwaukee.....000 300 000—3 10 1
Indianapolis.....100 000 000—1 8 2
Petty and Dixon; Barnes and Sengetock.
